Arizona Corporation Commission Chairman and Commissioners:
Re: Docket # ~~L-000008-15-0059~~ 00170

The Wild Rose Villa's HOA, represents 120 homes off Germann Road. The Board believes it is in the best interest of our community to support SRP's GRIC route and we respectfully request that Arizona Corporation Commission to accept the line siting recommendation. The GRIC route is a Win-Win for all communities. It is a power line route that results in affecting the fewest number of private land residences in Chandler and Sun Lakes. The N/S portion runs along an existing right of way and traditional high voltage power line route. The Board of Wild Rose Villa's asks the ACC to accept the route thru the Gila River Indian Community.

Under no circumstances should Germann Road be considered as a proposed route for the 230kV Price Road corridor project.

Yours Truly,

Diann Pradetto
Board President
Wild Rose Villa's Home Owner Association
